

Prepared to be inspired!

In the coming weeks Jane Thuo, founder and inspirational leader of Dorcas Creation, our partner group in Kenya will be visiting Australia for both a well-earned break and to meet with those who support her work in the vast Mararui slum in Nairobi. Jane and her team do the most amazing work in empowering hundreds of women living in these slum communities through vocational and business training, mentoring and personal support.

There will be a number of opportunities to meet with Jane and hear about the work that she and her team are doing in Nairobi. We hope you will be able to join us for one or more of these occasions.
